About Arhaus

Founded in 1986 by Chief Executive Officer John Reed and his father, Arhaus is a premium home furnishings brand built on a simple idea: furniture and décor should be responsibly sourced, lovingly made, and built to last. Arhaus operates a vertically integrated model, designing and sourcing products directly from skilled artisans and carefully selected manufacturing partners around the world, including domestic upholstery production at its own North Carolina manufacturing facility. This approach enables Arhaus to offer a highly exclusive and customizable assortment of heirloom-quality furniture and décor designed to be used and enjoyed for generations.

With more than 100 Showroom locations across the United States, Arhaus' integrated omni-channel model connects every client touchpoint, from Showroom and interior design to eCommerce and catalog, allowing Arhaus to meet clients wherever and however they choose to shop while delivering a highly personalized client-first experience from discovery through delivery.
